

Guitar group or private lessons

Help your child gain a lifelong love and understanding of music, and give her or him the opportunity to experience the success that comes with committed practice.

Happy Bubbles now offer weekly group or private guitar lessons, taught by Dan Bell.

Dan is an enthusiastic full time guitar tutor and passionate about working with children of all ages and abilities. He has 10 years of teaching experience working for couple of after school workshops in West London.

We are going to arrange private tuition for music if required.
